

Request for copy of Sacramental record

Please note that our sacramental registers are subject to the requirements of the Data Protection Act. Consequently we are only permitted to issue a copy of a record from the 'restricted' registers to someone who is themselves named in that particular record.

- **Details of a baptism** (celebrated in the past 100 years) can only be issued to the person baptised, their parents or godparents
- **Details of a confirmation** (celebrated in the past 90 years) can only be issued to the person confirmed or their sponsor
- **Details of a marriage** from the Church's marriage register (for a wedding celebrated in the past 85 years) can only be issued to the bride, the groom or the witnesses.

To ensure that we comply with the law, those requesting a copy of a sacramental record should complete the form below (in block capitals, please) and return it to:
