

Early views of Our Lady's Church, Lisson Grove

An early engraving of the Church of Our Lady.
Notice the different road surface to today, and
the different mode of transport

A view from Lord's Cricket Ground showing the newly completed Church of Our Lady. Sheep and horses are no longer grazed at Lords!

These photos are believed to date from the 1920s.
The interior of the Church of Our Lady was richly
decorated. Note the stained glass windows at the
East End: they were lost in the 2nd World War.
