

**How important is it to have a celebration of Sunday Mass at OLQW?**

*A clear majority of respondents held that it was either 'Important' or 'Very Important' to retain a celebration of Sunday Mass at OLQW. However it should be noted that most of these attend Mass at OLQW and that their level of take-up of the questionnaire was very high.*

*Excluding the returns from OLQW the parish is exactly divided between those who think it is very important and those who think it is not at all important!*
