

The Mission of the Parish is about...

Sharing the good news

*Helping establish people in
good values*

Passing on the faith

*Helping those who come after
us to receive what we received*

*Being a witness to the truth
and to how Jesus lived*

*Cutting through the false
values of our society and help-
ing people to something better*

*Being a community where
everyone feels that they are
welcome and that they can
belong*

Helping us to praise God

Helping us to grow in faith

*Making sure that the Mass is
celebrated prayerfully and
well*

Offering a home to people

*Being a community that
feeds the hungry, and visits
prisoners, and the sick*

We think we should try and be a witness for good to others. We should try and have goodwill to everyone.

We would like to be well informed and have some way of sharing our views and thoughts with others.

We would like to become a "green" church — could the Confirmation Candidates help us to become environmentally friendly?

We would like "Welcomers" at all weekend Masses.
