To raise funds for refurbishing our parish church - one of the first Catholic churches to be built in England after the Catholic Emancipation Act of 1829.

The church has been open for business since 1836 but now needs work on it costing £750,000!

We've raised £540,000. But work starts soon and we need to raise the rest. Support us as we prepare for our next 200 years of service to the people of Lisson Grove, Church Street, St John's Wood, Maida Vale and beyond.
